- Auditions will be held Thursday, March 12 during ASR in the PAC Lobby. Please email Ms. B with questions. kbrunner@mcpasd.k12.wi.us. Sign up for ASR in the PAC - yes, sign into FlexiSched.
- It is always important to read the plays you're trying out for and this is no exception! They're available on the website, but note that each of these plays may be revised - these are not *final* final drafts yet.
- Performances will be during Fine Arts Week. Specific Block and tech time will be announced soon.
- You will notice these plays are happening in a compressed time frame – be sure you really do have the time to commit to these productions should you be cast. FAW plays are always a lot of fun but require hard work, too!

Rehearsals will be scheduled by the director/playwrights during ASRs in March and April.
