Attention Parents and Students of Teenagers from Outer Space and Cinderella

Recently, Big Eight member schools have determined that coaches may begin working out with student-athletes in groups of 10 or fewer indoors or in groups of 25 or fewer outdoors, as the guidance by PHMDC allows and in accordance with WIAA coaching contact rules upon the submission and approval of a coaching contact plan. Middleton High School Activities Director, Ben White, has opened up this option for fine arts rehearsals, as well.

We are considering taking advantage of this option for Teenagers from Outer Space and Cinderella, hoping that a few outdoor choreography/staging rehearsals will enhance our students' experience. Please read more information and complete this **Outdoor Rehearsal Consent FORM** by Friday, October 30

Come to T.W.I.G.S on Wednesdays at
