Introducing...

Better know an Addams

U N C L E F E S T E R

...is incorrigible and except for the good nature of the family and the ignorance of the police, would ordinarily be under lock and key...the eyes are pig like and deeply imbedded...he likes to fish, but usually employs dynamite...he keeps falcons on the roof which he uses for hunting...his one costume...summer and winter... is a black great coat with an enormous collar...he is fat with pudgy little hands and feet.

Charles Addams, 1963
