Teenagers from Outer Space

Middleton Theatre recreates this B-movie, drive-in, late nite, sci-fi 1959 classic! A young alien, Derek, falls for a pretty teenage Earth girl, Betty, as they team up to stop the plans of his invading cohorts, who intend to use Earth as a food-breeding ground for giant lobsters - gorgons- from their planet. The invaders, who arrive in a flying saucer, carry deadly ray guns that turn Earth-people into skeletons.

No *Cinderella* Rehearsal this week!

Culver's is not able to hold share nights for non-profit groups this school year due to COVID-19. Instead, they have given us 100 Culver's calendars to use for fundraising. The calendars have two coupons for each month of 2021. Each coupon is worth at least \$1, and most are worth more. We are offering these to our families, at a suggested donation of \$5 each.

Pick up calendars during daylight hours on the porch of the Reichard home: 3543 John Muir Drive, Middleton. You can leave a cash or check donation under the doormat, or send money to Boosters through any of the following methods:

1. Paypal: https://www.paypal.com/paypalme/mhstheatre?locale.x=en_US
2. Cash.me: \$MHSTheatreBoosters
3. Venmo: @courtney-ward-reichard (Courtney is our treasurer, and will transfer funds to the Booster account)
