March 15- ?, 2020

## The Latest...

### [CDC Recommends Suspending Gatherings Of 50 Or More People For The Next 8 Weeks](#)

Dear MHS Theatre Students and Families,

Who could have ever imagined a situation like this? I have copied and pasted the official decision about the coming weeks, so everyone can, hopefully, understand that we are not allowed to gather to rehearse in any way. I'm sure you understand that these measures are meant to keep our community safe, and it's important that we respect and abide by these guidelines.

There's been no official word regarding cancellations past mid April. Therefore, I would like to assume the best, and plan to open our show on April 30th. However, given the latest news, the option of postponing our performances by a few weeks would, in my opinion, be an acceptable plan "B". In either case, we need to keep practicing as individuals, ensuring that when we get back we can quickly get back on track. We've done so much great work! We can't just stop now!

Regarding FAW plays, I think actors and directors should take the same approach by learning the material and hoping for the best. Again, should FAW be cancelled, I hope to have a showcase before the end of the year.

Finally, I know this situation is heartbreaking, uncertain, and unfair. The only comfort, possibly, is that we're in it together. Consider using this time to explore a new idea, do some writing, memorize a new monologue, or read a play or two.

Keep checking your email for updates or information from me or Ms. Pitt.

Take Care, Ms. B

**From Peg Shoemaker...**

**"During this time of closure, all academics, excursions, athletic and musical practices, and all events with our students are cancelled until April 6th."**

**From Ben White...**

**"As you all are aware, Middleton schools are closed starting Monday, March 16. As of right now, all schools are closed until April 6. This means that all extracurricular activities are on hold at the present moment. This means that you may not be involved in any sort of meeting, gathering, competition, etc with students and student organizations. Please make sure you are following this policy."**

**From William Shakespeare**

**"A high hope for a low heaven: God grant us patience!"**

**~Love's Labour's Lost, Act I, sc. 1**

To help you with preparation we've ordered these rehearsal tracks from MTI.

The Rehearsal Score App is for you to download to your phone and use to practice vocals and choreo.

### **Here are the Cast Member Login Instructions**

You've been invited to join Singin' In The Rain as a cast member.

Download the Rehearsal Score mobile app to get started!
