

PAC Student Safety Contract

Theaters have been identified as one of the most dangerous spaces in a school. In order to address the need for safety and the dangers involved with the use of the Performing Arts Center, we ask students who use the PAC and their parents to read and sign below.

I will:

- Never operate any PAC equipment without training.
- Follow all instructions given by Teachers, Directors, PAC Director or PAC House Supervisors.
- Protect my eyes, ears and body at all times while using the PAC, including wearing shoes at all times.
- Know where to get help fast in an emergency situation.
- Know where first aid and fire equipment is located, along with fire exits and severe weather shelter locations.
- Never allow audience members on stage unless accompanied by a Teacher, Director, PAC Director or PAC House Supervisor.
- Conduct myself in a responsible manner at all times.

I _____ have read and agree to abide by all safety regulations as set forth above and any additional instructions given by any Teachers, Directors, PAC Director or House Supervisors. I also understand that non-compliance may result in removal from the PAC. Three written offenses will result in the loss of all PAC privileges.
